### THE COMMODORES' CUP

- 1. General-** The Commodores' Cup is open to all members of Shotley Point Yacht Club (Club). It is a distance logged or charted competition based on the Club cruising events (Note, this does not include, The Navigation Challenge, SPYC Challenge or Fishing Competition, which are competitions in their own right). The distance accrued is that of the skipper or crew member not any given craft. (In essence a crew member can cruise on a number of craft and still accrue a total distance.) The cruising distances are accrued from the events listed below or any event which might replace the programmed event due to; bad weather, cancelations etc.
- 2. Aim-** In line with the general desire of the Commodore to increase the numbers of individuals on events. The aim of this competition is to stimulate interest in Club cruises with a view to increased participation.
- 3. Rules-**
  - 3.1 One crew entry per sheet.
  - 3.2 Entering members must hand in the form (*over page*) by the 30<sup>th</sup> of November 2021.
  - 3.3 Either charted or logger distances may be used. (or mix of both)
  - 3.4 Milage will be taken at face value, however, outlandish distances between known points will be questioned.
  - 3.5 The individual handing in the greatest logged and/or charted distance will win.
  - 3.6 Distance is to be recorded as Nautical Miles.
  - 3.7 In the event of a draw the individual who finished the total distance first will win.
  - 3.8 In the event of a draw between skipper and crew of one vessel, the skipper will receive the trophy on behalf of the crew.
