### 4. How we protect your personal data

- 4.1. In order to manage your membership of the Club and communicate with you, it might sometimes be necessary for us to transfer your Personal Data outside the United Kingdom. However, we will only do so in accordance with the Act that is most likely to involve either that the country to which your data is being transferred provides adequate protection for personal data or on the basis of agreeing standard contractual clauses with the organisation to which we are transferring your data.
- 4.2. We have implemented generally accepted standards of technology and operational security in order to protect personal data from loss, misuse, or unauthorised alteration or destruction.
- 4.3. Please note however that where you are transmitting information to us over the internet this can never be guaranteed to be 100% secure.
- 4.4. Although we do not currently do so, should we in the future take any payments from you online we will use a recognised online secure payment system. We do not hold your bank details. Any payments made by you either directly to one of our bank accounts or by cheque is recorded by our Treasurer with name, amount and purpose only.
- 4.5. We will notify you promptly in the event of any breach of your personal data that might expose you to serious risk.

### 5. Who else has access to the information you provide us?

- 5.1. We will never sell your personal data. We will not share your personal data with any third parties without your prior consent (that you are free to withhold) except where required to do so by law or as set out in the table above or in paragraphs 5.2 and 5.3 below.
- 5.2. We may pass your personal data to third parties who are service providers, agents and subcontractors to us for the purposes of completing tasks and providing services to you on our behalf (e.g. to print newsletters and send you mailings). We do this for the purpose of our legitimate interests in operating the Club and for performing our contract with you. However, we disclose only the personal data that is necessary for the third party to deliver the service and we have a contract in place that requires them to keep your information secure and not to use it for their own purposes. It is possible that third parties might themselves engage others (sub-processors) to process your data. Where this is the case third parties will be required to have contractual arrangements with their sub-processor(s) to ensure that your information is kept secure and not used for their own purposes.
- 5.3. We may also pass your anonymised personal data to the RYA for the purposes of carrying out surveys when it is in the legitimate interest of the Club and the RYA to do so. The RYA may use third parties to carry out the surveys but disclose only the personal data that is necessary for the third party to do so and will have a contract in place that requires the third party to keep your information secure and not to use it for their own purposes.
